

Don't touch me i like it
Don't touch me i like it
Don't touch me i like it
Don't touch me i like it
Aaja tujhe akhiyon mein band kar lu
Band kar lu baba band kar lu
Pyaar bhari baate zara chand kar lu
Chand kar lu baba chand kar lu
Samajha karo re jaana meri majburi
Zara zara paas nahi
Zara zara duri duri duri duri
Don't touch me i like it
Don't touch me i like it
Don't touch me i like it
Don't touch me i like it
Aaja tujhe akhiyon mein band kar lu
Band kar lu baba band kar lu
Pyaar bhari baate zara chand kar lu
Chand kar lu baba chand kar lu

Kehana jo chaahu tujhe keh nahi paau
Bin kahe bhi toh main reh nahi paau
Tan mann bich agan laga di
Soni soni mithi pyaas jaga di
Tan mann bich agan laga di
Soni soni mithi pyaas jaga di
Samajha karo re jaana meri majburi
Zara zara paas nahi
Zara zara duri duri duri duri
Don't touch me i like it
Don't touch me i like it
Don't touch me i like it
