

# Door Bell Lyrics

---

Pehla tan har ikk layi available hona chhad dila  
Bahuta changapn nhi changa thora dil chon kadd dila  
Samaa keemti muft vich na khachaan layi gwaya kar  
Vehla hi lainde samaj lok na bahuta kise na jaaya kar

Teri ki importance tu dass faltu lokkan nu  
Self kamm je karna chhadde odon labhde chokkan nu

Raja ban ke ji tu zindgi dhuyi maar kise raaje di  
Jehra aaye vajaake tur je bell na ban darwaze di  
Jehra aaye vajaake tur je bell na ban darwaze di  
Loki aithe mukkar jande khaa ke saunh khwaaze di  
Jehra aaye vajaake tur je bell na ban darwaze di

Dallean da koi dal nhi hunda bacho dosti yaari ton  
Challe maarha sma na kharhde kharhde pocket bhaari ton  
Kareya kar respect saahb di bahuti jache na chawlaan nu  
Loon gadhe nu gheo kutte nu izzat pache na chwlaan nu

Thora selfish hoja deal jee kerna selfish lokkan nal  
Dabb ch pistol paa ke larh nahi hunda mittra topaan nal  
Attitude ni kehnda tainu thora rohb tan rakhya kar  
Dil di kite na kareya kar unjh bhaavein sab nal hasseya kar

Bharpaayi na honi taithon hon wale khamiaje di  
Jehra aaye vajaake tur je bell na ban darwaze di  
Jehra aaye vajaake tur je bell na ban darwaze di  
Loki aithe mukkar jande khaa ke saunh khwaaze di  
Jehra aaye vajaake tur je bell na ban darwaze di

Bandeyan nal na varte duniya bhairhi varte bande nu  
Apna lot vekhdi vekhe na change na mande nu  
Jinna marzi karli kise da kise ne vi gun pauna nahi  
Jis din tainu kamm pai gaya kamm kise ne auna nahi

Jinna diya vangaaran jhallein jhalle muchh nu taanh kar ke  
Ohi maarha aakh jaan ge keraan kiti naah kar ke  
Aisi taisi kar dinde ne garjaan vele asool di  
Tanki full karaa ke rakhan jealous waale fuel di

Tu ki kita saade layi eh aakhir nu keh jaan ge

Bet lgaa lai tere kol regret bade reh jaan ge  
Deep arraicha saareya lyi tu changa kade ni ho sakda  
Jo lokkan di tension lainda sukh di neend nhi so sakda

Hello hi hrikk nal te yaari ikk nal kaaide di  
Jehra aaye vajaake tur je bell na ban darwaze di  
Jehra aaye vajaake tur je bell na ban darwaze di
