

Door hi se door hi se humse karo baat
Aage badhe to na aaungi hath hoye
Door hi se humse karo baat
Aage badhe to na aaungi hath hoye
Door hi se humse karo baat

Jawani ki bagiya mein hu main pali
Chhute hi murjane wali kali
Dekhne mein bhali
Kaise main chhodungi bachpan ka sath
Aage badhe to na aaungi hath hoye
Door hi se humse karo baat
Aage badhe to na aaungi hath hoye
Door hi se humse karo baat

O meri aankho ka jadu jo chal jayega
Aaji hatho se dil phir nikal jayega
Ho machal jayega
Meri aankho ka jadu jo chal jayega
Aaji hatho se dil phir nikal jayega
Ho machal jayega
Karwat badal ke bitaoge raat
Aage badhe to na aaungi hath hoye
Door hi se humse karo baat
Aage badhe to na aaungi hath hoye
Door hi se humse karo baat

Anjane pan mein jo mujhko chhule
Umango ke jhule mein din raat jhule
Wo duniya ko bhule

Anjane pan mein jo mujhko chhule
Umango ke jhule mein din raat jhule
Wo duniya ko bhule
Sapno mein bhi wo kare meri yaad
Aage badhe to na aaungi hath hoye
Door hi se humse karo baat
Aage badhe to na aaungi hath hoye
Door hi se humse karo baat door hi se.
