

Door jao na tum, door jao na tum
Paas aao, abr ban ke sanam,
Abr ban ke sanam
Baras jao, o baras jao
Door jao na tum, door jao na tum
Paas aao, come closer to me
Come closer to me,
Come closer to me my love
Door jao na tum paas aao

Hawao mein garmi hai ya sanso ki aag hai
Hawao mein garmi hai ya sanso ki aag hai
Tan man sulagne laga, badhne lagi pyaas hai
Hontho se hontho ki, hontho se hontho ki
Pyaas bujhaao, abr ban ke sanam,
Abr ban ke sanam
Baras jao, o baras jao
Door jao na tum, door jao na tum
Paas aao

Kitni hai chahat teri kaise bataun sajan
Kitni hai chahat teri kaise bataun sajan
Hatti najar na ab to kaisi lagi hai lagan
Tut ke baanho mein,
Tut ke baanho mein bikhhar jao
Abr ban ke sanam, abr ban ke sanam
Baras jao, baras jao,
Come closer to me
Come closer to me,
Come closer to me my love
Door jao na tum, door jao na tum
Paas aao, come closer to me
