Thedunnathaaro ninne maathram

Innolam penn kaathorkkum
Naadham kelkke
Ul poovin neer mounangal
Neer thulliyaay

Pinum kinaakkale
Melle urakkiyethrayo
Raathrikal yaathrayaay

Janaalayil mulaavu pol
Prakaashamaay pratheekshayaay
Moodal manjil minni nee

Doore kannethaa doore
Maayum venn thaaram neeyaakunnu
Vaathil chaaraathe vaanil
Thedunnathaaro ninne maathram

Innolam penn kaathorkkum
Naadham kelkke
Ul poovin neer mounangal
Neer thulliyaay
