

Dheere dheere se kaat rahi hai  
Mujhe baant rahi hai  
Tujhse yeh dooriyan

Yeh bata de kya pyaar nahi tha  
Khuddaar kahin ka  
Tujhe dil kyun diya

Aage ka raasta kharab tha  
Yeh laga tha bada board  
Mane bas yeh socha  
Hoga chhota mota mod  
Hua jab yeh haadsa, aur aaya mujhe hosh  
Tab jake jana bus yahi tak thi road  
Mana meri galti thi, meri thi saari chuk  
Par teri bhi jab hoti thi mujhe deti thi looks  
Maine chaha jab jaana mujhe kaha nahi kyu ruk  
Kuch kehna tha par tune kar diya shussssh

Tu hai bani wajah meri siskiyo ki  
Aur main hu beta kaaran teri hitchkiyon ki  
Tune bhi toh pal wo saare miss kiye honge  
Pata nahi tha khel yeh itne risky honge

Tujhe yaad bhi nahi aati meri that's a little rude  
Tu saath nahi mere mujhe ab bhi lage jhoot  
Bharatlyrics.com  
Kyu chatthi nahi hai sali kaali si ghata  
Najane kab niklegi dhoop

Dheere dheere se kaat rahi hai,  
Mujhe baant rahi hai  
Tujhse yeh dooriyan

Yeh bata de kya pyaar nahi tha,  
Khuddaar kahin ka  
Tujhe dil kyun diya

It's funny kaise change ho rahe hai  
Aapas mein saare rishtey  
Pehle hug or kiss the

But now it's all twisted  
Hamesha diya respect  
Naa kabhi kiya misbehave  
Fir bhi tujhse keh raha hu  
Forgive me all my mistake

Dekhna toh kaise ho gaya hai tera d  
Bas fake jhoot bolu tune kiya mujhe cheat  
Baaki ik baat toh hai ke khoke ho gaya hu deep  
Ab wait karu tujh tak pahunche mere geet  
Mere face pe lekha hai emotionally hu weak  
Mera make hai ke kho deta hu jo hota azeez  
Saale waste ho gaye hai saare dates  
Ab jaise mere chest pe kisine aake rakh de ho eent

Door se hi ik duje ko hum karte hai hi  
Ab bhi tujhpe marta hu,  
I don't know baby why  
Ajeeb sa lage when i see you with some guy  
Koi aake dede mujhe koi upaay

Dheere dheere se kaat rahi hai  
Mujhe baant rahi hai  
Tujhse yeh dooriyan

Yeh bata de kya pyaar nahi tha  
Khuddaar kahin ka  
Tujhe dil kyun diya

Jitna mai tujhko bhoolna chaahu  
Utna rahe mere paas  
Jaane main kab se joonjh raha hu  
Samajhe naa itni se baat

Dheere dheere se kaat rahi hai  
Mujhe baant rahi hai  
Tujhse yeh dooriyan

Yeh bata de kya pyaar nahi tha  
Khuddaar kahin ka  
Tujhe dil kyun diya...
