

Dosh bado ka gussa chhoto par
Kuch to insaf karo
Humse koi bhul hui ho
To hum sab ko maaf karo
Tumne sath hamara chhoda
Par hum sath na chhodenge
Aage tum bhago
Hum picche picche dhoudenge
La la lala la la lala ho ho oo
Chhuk chhuk

Ha ha tum sab mano hum
Bojh tumhare hote hai
Tumko jana hai jao
Hum rah me baithe rote hai

Ruko na ruko na ruko na
Ruko na ruko na ruko na
Tum na ruko to tumara kya hoga
Lekin ye to socho humara kya hoga
Tum na ruko to tumara kya hoga
Lekin ye to socho humara kya hoga
Ruko na ruko na ruko na
Tum na ruko to tumara kya hoga
Lekin ye to socho humara kya hoga

Koi na koi nayi baat
Tum roj bataya karte the
Koi na koi nayi baat
Tum roj bataya karte the
Aaj ho kyu chup har roj ek kahani
Roj sunaya karte the
Kaise tumhe manaye aao jhume gaaye
Vapas ghar ko jaye
Chalo na chalo na chalo na
Tum na cholo to tumhara hoga
Lekin ye to socho humara kya hoga
Tum na ruko to tumara kya hoga
Lekin ye to socho humara kya hoga

Ruth ke dunia valo ki
Chhoti chhoti baato se

Ruth ke dunia valo ki
Chhoti chhoti baato se
Aap na bana khilona
Aap na todo hatho se
Aanchal na chhoadege
Naata na toadenge apna sir kho denge
Haso na haso na
Tum na haso to tumara kya hoga
Lekin ye to socho humara kya hoga
Tum na ruko to tumara kya hoga
Lekin ye to socho humara kya hoga.
