

Down Song Lyrics

Main hoon do peg down
Phir bhi lage jaise main hoon bottle down
Mujhe haath na lagao
Jab tak na ho jaata hoon main sober down

Main hoon do peg down
Phir bhi lage jaise main hoon bottle down
Mujhe haath na lagao
Jab tak na ho jaata hoon main sober

Aaj raat maine pee hai kyunki dil main baate bahut
Saath jo thhe dost wo hai gayab jaise ghost
Na hi koi story daalu na hi koi post
Khoya khoya rehna hai khud mein hi lost

Calm down, calm down
Haa main gir raha hu
Gir raha hoon gir raha
Sabko chodke akela main hoon phir rha
Na hi raat ka pta na jaanu din kaha
Na hi kya kya maine khoya vo main gin raha
Yeah yeah yeah yeah
Yeah yeah yeah yeah

Main hoon do peg down
Phir bhi lage jaise main hoon bottle down
Mujhe haath na lagao
Jab tak na ho jata hoon main sober down, yeah

Main hoon do peg down
Phir bhi lage jaise main hoon bottle down
Mujhe haath na lagao

Jab tak na ho jata hoon main sober down

Glass khali mera mujhko on the rocks do
Rukne wali nahi never gonna stop woh
Dushman hai jo mere unko sabko shots do

Sabki daaru mujhpe karlo party meri cards lo

Swipe it up, swipe it up, swipe it up bro

Aaj raat sabke liye bas love bro

Aaj raat tere saath hona tight bro

Aaj raat bhula hoon main teri meri fight

Baatein karu seedhi maine peeni jaise na hai koi kal

In musibaton mein jeena aur na hai koi hal

Main do peg down bola aur ek round

Mai toh ghar nahin jaau till i'm falling down

Charcha main na karta kabhi its a no way

Kharcha phir bhi karta main to dil se khulke

Diya nahin saath mera yahaa na tum the

Aaj bhi akele par reham hai tumpe

Main hoon do peg down

Phir bhi lage jaise main hoon bottle down

Mujhe haath na lagao

Jab tak na ho jata hoon main sober down

Main hoon do peg down

Phir bhi lage jaise main hoon bottle down

Mujhe haath na lagao

Jab tak na ho jata hoon main sober down

Calm down calm down

What goes around comes around

Calm down calm down

What goes around comes around

Calm down calm down

Karma hai kameena

Calm down calm down.
