

Drunk In A Shaappu Song Lyrics

Drunk and tipsy... In a shaappu
Kallu and curry... On the house
Vibing with a naattu paambu
Tripping on a kottu paattu

In a shaappu...
Tripping in poonthoppu
Vibing with a thengu
Chilling with a chunku

People call me vazha... Makes me so sad-uh
I was only chilling... On a paaya
I am happy that i am young
I am happy that i am fun
Endhinn ee knnukadi bhaai..?

Endhinn ee valentines day bro..?
Endhinn ee parithaapam bro..?
Endhinn ee kaneeru bro..?
Venda avale... Vendivale

Drunk in a shaappu... Tripping in poonthoppu
Vibing with a thengu... Chilling with a chunku

In a shaappu...
Kallu and curry... On the house
Vibing with a naattu paambu
Tripping on a kottu paattu

Endhinn ee valentines day bro..?
Endhinn ee parithaapam bro..?
Endhinn ee kaneeru bro..?
Venda avale... Vendivale

Drunk... I am an irukaali
Drunk... Now a naalkaali
Drunk... I am an ettukaali
Adich poos malayali... Rajini poley mass
If i am drunk baby, dance
Simple moves theriyadh

Only naadan moonwalk...
Vaalu kond njaan pookalam ittu
Kavalayilo njaan aalu kalich

Nokki chiricha chechimaare...
Thirinj noki njaanum ilichu...

Dance like you don't care
Jawaan, and there's no say
I feel like the energy
Beat is so vedichill
Kottupaattu kettu pedachu hennessy

Drunk in a shaappu... Tripping in poonthoppu
Vibing with a thengu... Chilling with a chunku

In a shaappu...
Kallu and curry... On the house
Vibing with a naattu paambu
Tripping on a kottu paattu

Endhinn ee valentines day bro..?
Endhinn ee parithaapam bro..?
Endhinn ee kaneeru bro..?
Venda avale... Vendivale.
