

Dubai Lyrics

You dont need no guarantees
For me to stay with you
You dont need no explanation
For me to never leave

There will be trials and tribulations
Girl for me to get to know you
Girl I appreciate your patience
For keeping your cool

And girl I cant explain how much you changed my life
And how you keep me coming back girl every time
And when I look right in between my babys eyes
It brings me back to when
We first met in dubai

When we first met in dubai

Dil kamlaa naa maane
Jaayega wahin
Tere toh bagair koi
Labhiyan nahin

Lambi hai judaai mera
Hoya bura haal
Vekheyen bagair tenu
Jeena nahin

Cause girl your love brought a new meaning to my life
Cause when I see you girl my body comes alive
Cause when I look right in between my babys eyes
It brings me back to when
We first met in dubai

When we first met in dubai

Jehdiyan tu
Galla kargayi
Thi woh nahin

BHARAT
lyrics

Tere toh bagair koi
Labhiyan nahin
Door naa jaane mere
Aa ke kareeb
Lambi hai

And when I look right in between my babys eyes
It brings me back to when
We first met in dubai

When we first met in dubai

I never really thought that I would fall in love
Had no intention to ever cuff it up
Had a lot of issues
But we made it through
Got me calling you all these names
Cause I didnt fuck witchu
Baby I wanna play no games
You are the only one I need
For life
