Sabi ko suhaghan banati hai mehndi

Dulhan koi jab jab rachati hai mehndi
To mayake ki yaade bulati hai mehndi

Sabhi betiya kisi ki amanat
Yahi reet duniya me sab ne nibhayi
Pati aur patni ke pawan milan pe
Ye mehndi humesa bani hai gawahi

Sabhi jodiya aasma per hai banti
Jami pe unhi ko milati hai mehndi
Dulhan koi jab jab rachati hai mehndi
To mayake ki yaade bulati hai mehndi
To mayake ki yaade bulati hai mehndi

Vo dahjid chuti vo angan bhi chuta
Jaha se janma aur jana tha maine
Vo dhali jis se mai udke gayi thi
Vaha laut ke anaa tha maine
Hasti hai mehndi rulati hai mehndi
Banti hai mehndi mitati hai mehndi
Banti hai mahndi mitati hai mahndi

Ye riste hai resham ke dhage ke jaise
Inhe jaise bando bandege vaise
Karo dur har fasale ka andera
Jaha khul gayi aankh samje savera
Gile aur shikave mitati hai mehndi
Ye bichde huo ko milati hai mehndi
Gile aur shikave mitati hai mehndi
Ye bichde huo ko milati hai mehndi
Ye bichde huo ko milati hai mehndi.
