

Dum dee dee dum
Dum i'm poppin like

Ae ae lookin no never
I'm not gonna go
But only poppin over there
And we we are in club club
Take you down low
And when we in bed..bed

I am not be like the drum
Dee dee dum dum
Poppin like a rum pa pa rum pum
I am not be like the drum
Dee dee dum dum

Ke ke...kehndi mere aa boli jaa
Jehdi ae galla kitti aa tu karke vekha
Lath tera hilaa de
Now shades keeps punjabe
Saheliyan nu chaddh pudjaane ve

Get your heels flow high
I love the way you a look
So it aa aa lakh na play tu

When i am in the zone
Debate alone
Don't give it end any more

I can i can feel you want me
Looking at my body
Want me to go down
Down on a lorry

I can feel you worry
Looking at body
Want to go down
Down down for the money money

Ae ae lookin no never i'm not gonna go
But only poppin over there
And we we are in club club
Take you down low
And when we in bed..bed

Come on beat it like the drum
Dee dee dum dum
Poppin like a rum pa pa rum pum
I am not be like the drum
Dee dee dum dum
I dee dee dum dum
I dee dee dum dum

Tere mere aa chup keht'ta aa
Jehri addi ae behji ae tu katke vakha
Drum mera bajade batiya tu bujha de
No.1 friend tera aur koi nahi

Get your heels flow high
I love the way you a look
So it aa aa lakh na play tu
