---

Dum dum dum dum dum  
Mogindi melam  
Taalame takadimitaam

Oh... Dum dum dum dum dum  
Mundundi taalam  
Poorthiga tikamakata yehey

O, pillemo speede pilladu golde  
Matchilaa kudirenule  
O, sakkani jode saradaala bond ye  
Lokame murisenule

Oo gumpantha kadhile vellaligaa  
Okka cheeraina oorune chuttaligaa  
Bangaaru nagalu godavaithe tegadhu  
Beraalu aadi aadi  
Vandho veyo thaginchesthaara

Rojantha phonullo muchchatlena  
Ammammo aapade kaasepaina

Pre-wed shoot tho tantaalenaa  
Kongotha bangima pose-u lona

Inkaa chaalani kalale  
Endari madhyalo unna kooda
