

Duniya banane wale ne  
Duniya banane wale ne  
Jab chand banaya  
Aur pani mein ek raat padi  
Uski jo chhaya  
Ek banwara panchhi  
Yeh pukar utha ke haye  
Yeh nur ke sanche mein  
Dhala kaun haye  
Itrake chand jake badlo  
Mein chup gaya  
Rone laga chakor se  
Haye yeh kya hua

Phir sokhiye ne chand  
Ke wo bhar diye  
Be palak gurur ne  
Ghatna suru kiye  
Ek raat aisi aayi  
Ek gayab wo gaye  
Fitne jaga ke aap kahi  
Jake so gaye  
Us raat jo roya hai chakora  
Harsay bhari sote  
Huye ko jaga diya

Reham aa gaya rahim ko  
Aur usne pukara  
Are ja mere parinde  
Teri bigdi ko sanwara  
Yeh ishq khota tu zameen par  
Wo arsh par  
Rota rahega waqt ki  
Gadiyo ko umar bahr  
Ja teri dhadkane ne hume  
Hume mom kiya hai
