

Duniya bhula ke bahon me aake
Lag jaa gale jaanemann
Saansen hai meri khushbu ki pyasi
Chandan hai tera badan
Ye dil mera jhum ke kah raha
Aa sun zara pyar ki ye dastan
Duniya bhulake bahon mein aake
Lagaja gale jaanemann mere
Saansen hai meri khushbu ki pyasi
Chandan hai tera badan

Jadu hai jadu hai mausam ka jadu hai
Pagal se hone lage hai
Aankon mein aankon mein
Sapano ke sapano ke
Moti perone lage hai
Badali fizayen chanchal hawayein
Khilane laga hai chaman
Saansen hai meri khushbu ki pyasi
Chandan hai tera badan

Na koi pahera hai na koi bandhan hai
Duniya kitani hasin hai
Haan khushiyon ke mele hai
Yaadon ke rele hai
Apani to zanat yahin hai
Honge juda na ham do deewane

Aisa hai apana milan
Saansen hai meri khushbu ki pyasi
Chandan hai tera badan

Ye dil mera jhum ke kah raha
Aa sun zara pyar ki ye dastan
Duniya bhulake bahon mein aake
Lagaja gale jaanemann mere
Saansen hai meri khushbu ki pyasi
Chandan hai tera badan.
