

Duniya mein sab hi chehre  
Lagte to hain pehchaane  
Kyun phir bhi hain anjaane  
Yeh baat woh hi jaane  
Haaye  
Duniya isi ka naam hai  
Duniya isi ko kehte hain  
Duniya isi ko kehte hain  
Duniya isi ko kehte hain  
Apne hi apnon se yahan  
Begaane jaise rehte hain  
Begaane jaise rehte hain

Begaane jaise rehte hain  
Duniya isi ka naam hai

Jo hum chaahen jo tum chaaho  
Woh kab hota hai duniya mein  
Muqaddar ke ishaaron pe  
Yeh sab hota hai duniya mein  
Yeh sab hota hai duniya mein  
Yeh sab hota hai duniya mein  
Duniya isi ka naam hai  
Duniya isi ko kehte hain  
Duniya isi ko kehte hain  
Duniya isi ko kehte hain  
Duniya isi ka naam hai

Kabhi us mod par loota gaya  
Hai karwaan dil ka  
Jahaan se do qadam hi faasla  
Baaqi thha manzil ka  
Yahan kehti hai khaamoshi  
Hazaaron gham ke afsaane  
Magar is baat ka matlab  
Koyi bedard kya jaane  
Koyi bedard kya jaane  
Duniya isi ka naam hai  
Duniya isi ko kehte hain  
Duniya isi ko kehte hain

lyrics

Duniya isi ko kehte hain  
Duniya isi ka naam hai

Yahan har gham khushi ka ik naya  
Paighaam laata hai  
Andheri raat jaati hai  
Sawera muskuraata hai  
Sawera muskuraata hai  
Duniya isi ka naam hai  
Duniya isi ko kehte hain  
Duniya isi ko kehte hain  
Duniya isi ko kehte hain  
Duniya isi ka naam hai.
