

Kabhi uff kabhi haai kabhi haai  
Kabhi bye kabhi aayen kabhi jaayen  
Kabhi u kabhi y kabhi yes  
Kabhi no kabhi haan kabhi na  
Rani ye bhi koi baat hai  
Char din ki chaandani hai phir kaali raat hai  
Dhal jaayegi ye jawaani  
Sochane ki baat hain

Duniya mein aayi ho to love karlo  
Duniya mein aayi ho to love karlo  
Thoda sa ji lo thoda thoda maralo  
Duniya mein aayi ho to love karlo  
Duniya mein aayi ho to love karlo  
Thoda sa ji lo thoda thoda maralo  
Duniya mein aaye ho to love karlo  
Duniya mein aaye ho to love karlo  
Thoda sa ji lo thoda thoda maralo

Ho raani ke kaano mein jhumake ki jodi hain  
PaiRon mein chaandi ki paayal nigodi hain  
Haan chaandi ki paayal ye chhapan karodi hain  
Roop ki daulat ye baraso mein jodi hain  
Nanha sa dil mera dhadake hain seene mein  
Pure kiye hain sola pichhale mahine mein  
Ankhiyaan guler meri maaroongi seene mein  
Phir tujhako aur maja aayega jine mein  
Dil mein mohabbat ka rang bharalo  
Dil mein mohabbat ka rang bharalo  
Thoda sa ji lo thoda thoda maralo  
Duniya mein aaye ho to love karlo  
Duniya mein aaye ho to love karlo  
Thoda sa ji lo thoda thoda maralo  
Thoda sa ji lo thoda thoda maralo

Ho yu hi akadati hain ladki kadak hain tu  
June ki garmi mein thandi sadak hain tu  
Haan jaan se pyari hai jaanejigar hain tu  
Meri mohabbat ka pehla asar hain tu  
Tu thoda mitha hain thoda sa kadava hain

Hum dono alag sahi dil apana judwaa hain  
Tu meri chaahat ka pahila karishma hain  
Main sabase keh dunggi tu mera balma hain  
Ji bhar ke ji lo raani aish karlo  
Ji bhar ke ji lo raani aish karlo  
Thoda sa ji lo thoda thoda maralo  
Duniya mein aaye ho to love karlo
