

Duniya mein dilwale honge hajaro  
Fir bhi hamari wafa dilruba yaad karoge  
Duniya mein dilwale honge hajaro  
Fir bhi hamari wafa dilruba yaad karoge  
Hamne bhi apna mohabbat bara dil  
Jao tumhe de diya  
Tum bhi kya yaad karoge

Pyar mein aakhir hamare kaam aa gayi  
Wo dard bari aahe, dard bari aahe  
Aapke kadmo ke niche jalti thi rahe  
Is dhup pe tumpe julfo ka saya  
Jaise ke hamne kiya  
Sajna yaad karoge  
Duniya mein dilwale honge hajaro  
Fir bhi hamari wafa dilruba yaad karoge

Bekarar mai bhi hu lekin  
Lab thartharaye aankh jhuk jaye  
Bekarar mai bhi hu lekin  
Lab thartharaye aankh jhuk jaye  
Tum rahe anchal samete tan ko churaye

Fir bhi udda laya baho mein  
Tumko jonka pyar ka  
Ye hawa yaad karoge  
Hamne bhi apna mohabbat bara dil  
Jao tumhe de diya  
Tum bhi kya yaad karoge

Ham mile to raah kya hai  
Chalti hai manjil sang hame le ke  
Sang hame le ke  
Dekhna chute na gaiya milke gale se  
Pal mein andhera hai pal mein ujhala  
Ye bekhudi ki ghata  
Balma yaad karoge  
Duniya mein dilwale honge hajaro  
Fir bhi hamari wafa dilruba yaad karoge  
Tum bhi kya yaad karoge.
