

Eagle's On His Way Song Lyrics

Time to die aa aa
You be alone yeah
Goodbye to life yeah
He will kill you

You're in the sniper's sight
Get ready to die
You're in the sniper's might
Its your goodbye

You're in the sniper's sight
Get ready to die
You're in the sniper's might
Its your goodbye
Its your goodbye

Yeah yeah breathe your last breath
Your screams on my mind
Time to die you be alone
Time to die

Cry to mama
Save my life
This eagle on his way
Cry to mama
Breathe your last
This eagle wants his prey

Cry to mama cry goodbye
This eagle on his way
Cry to mama breed and die
This eagle kills his prey

He is a goddamn shooter
Ya ya ya
Time to die
You be alone yeah
Goodbye to life yeah

He will kill you

Time to die aa aa

You be alone yeah

Goodbye to life yeah

He will kill you
