

Edhukku Dhan Indha Kaadhal Lyrics

Marakka theriyaatha manase
Avala marandhu po
Kadakka mudiyaatha kanave
Kalainju karainju po
Koduthum vaangaatha idhayam
Valiyil thavikkidho
Yedhukku thaana indha kaadhal
Vaatti vadhaikkidho

Unnodu irundha ovvoru nodiyum
Yennoda irundhen usurukka
Kannodu padhinja aththanai azhagum
Kanneeril vazhinje thee pidikka

Yedhukku thaana indha kaadhal vaatti vadhaikkidho
Podhum da indha kaadhal valiya pazhagikko
Yedhukku thaana indha kaadhal vaatti vadhaikkidho
Podhum da indha kaadhal valiya pazhagikko

Kottura mazhaiya nee vandha
Mannula yezhaiya naan nenachen
Ketkaamale vandha sollaama mazhai pola
Nee vittu pogaadha
Indha yezhai inga vaazhaadhe

Muttuna nizhala naan nadandhen
Yettuna nilava nee parandha
Manneeramaai vandhu kanneeraai aanaye
Nizhal ingu pesaadhe
Adhu yaar pechum ketkaadhu

Thanimai enakku pudhusulla
Adhuvum ippo pidikkala
Kuralu illaama kadharuren
Yendi unakku ketkala

Yedhukku thaana indha kaadhal vaatti vadhaikkidho
Podhum da indha kaadhal valiya pazhagikko

Yedhukku thaana indha kaadhal vaatti vadhaikkidho
