---

Ee chinni kadhalo  
Prathi paatra yadhaloo  
Gaayamanthaa prema valanegaa

Eenati kadhalo  
Kanniti thadilo  
Dhaagiundhi prema alanegaa

Thappemi ledhu oppemi ledhu  
Ee thyagalaloo  
Veedindhi prema, ventundhi prema  
Ee mounalaloo

Oka prema gelavaalantu  
Inko prema oodalantu  
Raase vidhi raathe choodu

Prema ninne ga nindhinchaali  
Oo premaa ninnega shikshinchaali  
Ee bhadyathenduku bhaaramavvali

Prema ninnega dhushinchaali  
Oo prema ninnega dhandinchaali  
Ee janta enduku bhaadhamoyyali

Ye vaipelthundho ee payanam  
Aloochisthu unte theliyani mounam  
Praanam theese prasne sandheham  
Dhahichuthundhiga

Anni iche cheyyi yekonchem  
Istaalento antoo adagani swaardham  
Bandham chaatulloni adhikaaram

Prema ninne ga nindhinchaali  
Oo premaa ninnega shikshinchaali  
Ee bhadyathenduku bhaaramavvali

Prema ninnega dhushinchaali  
Oo prema ninnega dhandinchaali  
Ee janta enduku bhaadhamoyyali.
