Ee vela ee kala yela  
Ee kalalo kalavaramela  
Ee vela ee kala yela  
Ee kalalo kalavaramela

Paruvalanni Baruvaipoye  
Sarasaala kala varamouna

Ee vela ee kala yela  
Ee kalalo kalavaramela

Niduralo lepene priyudu gomugaa

Chilipigaa pilichene Cheli ani thiliga

Naa pai yeda maree ponginadi  
Andaalu biguvulai  
Nunu buggalu vaniki kandinavi  
mandaara sobagulai  
Sarasaala kala varamouna

Ee vela ee kala yela  
Ee kalalo kalavaramela  
Ee vela ee kala yela  
Ee kalalo kalavaramela

Pedavi pai thakene  
Yedanu meetene  
Adanukai choosene  
Yedo yedo chese

Cheyi saachene anuraagamu tho  
Nayana manoharamai  
Nanu dochene navaraagamuga  
Madana kuthoohalamai  
Sarasaala kala varamouna

Ee vela ee kala yela  
Ee kalalo kalavaramela  
Ee vela ee kala yela  
Ee kalalo kalavaramela.
