

Een meen saade teen
Hain gaya mera chhin
Kaise jiyu tere bin
Taaron ko yun gin gin
Aaja aa bhi ja na tarase milan ko,
Mann mann mann mann
Main hoon dil tera tu hai meri,
Dhadkan dhadkan dhadkan
Een meen saade teen
Chain gaya mera chhin
Kaise jiyu tere bin
Taaron ko yun gin gin
Aaja aa bhi ja na tarase milan ko,
Mann mann mann mann
Main hoon dil tera tu hai meri,
Dhadkan dhadkan dhadkan

Hai bahaaron ka ye mausam
Dur hai tu bas yeh hai gham
Beet jaaye na yun hamdam
Pyaar karane ka yeh mausam
Ga raha hai aasmaan bhi
Hai rangila yeh sama bhi
Ho bhi jaane de meri jaan
Dil se dil ka aaj sangam
Dil mein pal pal hoti hai jo halchal
Kahin kar dena kal
Yun hi mujhe paagal
Aaja aa bhi ja na tarase milan ko,
Mann mann mann mann
Main hoon dil tera tu hai meri,
Dhadkan dhadkan dhadkan
Een meen saade teen
Chain gaya mera chhin
Kaise jiyu tere bin taaron ko
Yun gin gin
Aaja aa bhi ja na tarase milan ko,
Mann mann mann mann
Main hoon dil tera tu hai meri,
Dhadkan dhadkan dhadkan

Ho..o..badh rahi hai bekaraari
Bharatlyrics.com
Udd raha hai mera aanchal
Mujhko baahon mein chhupa le
Pyaar mein hoon tere paagal
Kar raha hai mujhko ghayal
Teri aankhon ka yeh kajal
Jaanu main kya kah rahi hai
Karke chhan chhan teri paayal
Khan khan khan khan
Khanake hai kangan
Deewaanapan jaan le saajan
Aaja aa bhi ja na tarase milan ko,
Mann mann mann mann
Main hoon dil tera tu hai meri,
Dhadkan dhadkan dhadkan
Een meen saade teen
Chain gaya mera chhin
Kaise jiu tere bin
Taaron ko yun gin gin
Aaja aa bhi ja na tarase milan ko,
Mann mann mann mann
Main hoon dil tera tu hai meri,
Dhadkan dhadkan dhadkan
La la la la la la
La la la la la la.
