

Ik chand aasmaan mein raat bhar thehra hai
Chand ko pata nahi
Tera hai ya mera hai
Tera hai ya mera hai
Koi bhi le jaaye usko
Jaane uska haq hai kisko
Bolo na..

Jaane do, jaane do, jaane do
Iss baat pe phir kabhi baat kar lenge
Rahe gaye jo hisaab
O tere sath kar lenge

Sayad yeh pata hai chand ko
Chand kisi ka bhi nahin hai
Bata, bata aahi.. Hai
Ik tarfa nahin hai
Kuch der aur hai ab raat dhal rahi hai

Phir jaayega yeh chand kahin door..
Mere raste ka main, tere safar ka tu
Sang le chala suroor..

Rahein gaye jo sawal wo kal raat kar lenge
Jaane do, jaane do, jaane do
Iss baat pe phir kabhi baat kar lenge..
