

Ek dil ki do dhadkan, ek gopi ek kishan  
Ek dil ki do dhadkan, ek gopi ek kishan,  
Come come welcome, welcome..  
Come come welcome, welcome..

Ek dil ki do dhadkan, ek gopi ek kishan  
Ek dil ki do dhadkan, ek gopi ek kishan  
Tode se na toote, are tode se na toote yeh rishta yeh bandhan  
Come come welcome, welcome..  
Come come welcome, welcome..

Sab se haseen sab se alag kahani hai  
Saasein juda hai ek apni zindgani hai  
Sab se haseen sab se alag kahani hai  
Saasein juda hai ek apni zindgani hai  
Har imtihan denge, ek duje pe jaan denge, hum baant lenge gham  
Welcome welcome, welcome..  
Welcome welcome, welcome..

Vaada kiya toh vaada sada nibhayenge  
Teri mohabbaton pe khushi lutayenge  
Vaada kiya toh vaada sada nibhayenge  
Teri mohabbaton pe khushi lutayenge  
Vaada kiya tho vaada sada nibhayenge  
Teri mohabbaton pe khushi lutayenge

Rab ne humein milaya, khushiyon ka din dikhaya, nachenge hum chham chham  
Chham chham, chham chham, chham chham  
Chham chham, chham chham, chham chham

Ek dil ki do dhadkan, ek gopi ek kishan  
Ek dil ki do dhadkan, ek gopi ek kishan  
Tode se na toote, haan tode se na toote yeh rishta yeh bandhan  
Sangam sangam sangam..  
Sangam sangam sangam..  
Sangam sangam sangam..  
Sangam sangam sangam..  
Sangam sangam sangam..  
Sangam sangam sangam.
