

Ek Din Song Lyrics

Kaali denali!

Ek din gamah ton azadiyan ne mumkin
Ek din gamah ton azadiyan ne mumkin
Ek din gamah ton azadiyan ne mumkin
Ek din gamah ton azadiyan ne mumkin

Duniya ch lagda ni jee
Jind jivein jail di salakhan pichhe din gin
Dukhan vich labhda khushi
Ek din gamah ton azadiyan ne mumkin

Duniya ch lagda ni jee
Jind jivein jail di salakhan pichhe din gin
Dukhan vich labhda khushi
Ek din gamah ton azadiyan ne mumkin

Kehnde ne maut gunahwan di saza ve te
Zindagi nekiyan da sila ve te
Ekko sawal dekh duniya da haal
Lai le meri misaal
Na main ghar da na bahar da main
Nach gaa sadkan te zindagi ghuzarda main
Yaara naal yaari ghairan naal munh maari saari
Jind main ek gall soch de ghuzari
Mera duniya ch aaun da maksad ki

Duniya ch lagda ni jee
Jind jivein jail di salakhan pichhe din gin
Dukhan vich labhda khushi
Ek din gamah ton azadiyan ne mumkin

Ho kitte paisa kitte fame
Bas lekhan diyan game
Yaaran rang wakhon wakh
Par chamdi taan same
Tussi laune ho dimag
Sachi dil hai ni thode

Tussi uchhe kitte modde
Rakh tauna utte godde

Sadsi 21vi te uthe bade pange hoye aa
Kitte change hoye aa te kitte dange hoye aa
Mere yaar jail sair utte lange hoye aa
Mere dabb naal 6 bande tange hoye aa

Ek aakhdi si bebe maadi sehat layi sharab
Gharon nikli na putt bahar lok ne kharab
Mainu samjh ni aaundi reha ho ki janab
Hoya huni america jo 84 ch punjab

Aadata'an ji maadi dassan nasha te naar di
Bande saare change bas ego saali maardi
Dikki vich paiyan laiyan asle te laser'an
Ohna muhre kithe kam kardi aan teasr'an

Kithon chali gall kithe aa paunchi dang
Roz kehna chhad daanga roz peena bhang

Living life feeling imprisoned
Counting days behind bars
In the streets smoking trees
How i'm gone heal these scars

Hon ghar vale tang
Kehnde ne ke change ni mizaj mere
Yaar adhe mere dagadaar

I'm wondering why we gotta die
For them to give a damn
Begging god come show us all
You truly do gotta plan.
I heard that one day freedom
From this pain is possible
Screaming f**k donald trump
My people dying in your hospitals
What's the point of me living
If i can't make a change
What's the point to be forgiven

If heaven's so far away

Adhe jail vich band wah rab
Agge desiyan de katne zulam
Janaman da rog sadda ban gaye ne
Yaar jehde waqtan ton
Pehla sadde lang gaye ne

Duniya ch lagda ni jee
Jind jivein jail di salakhan pichhe din gin
Dukhan vich labhda khushi
Ek din gamah ton azadiyan ne mumkin

Duniya ch lagda ni jee
Jind jivein jail di salakhan pichhe din gin
Dukhan vich labhda khushi

Ek din gamah ton azadiyan ne mumkin

Born in the struggle
Ready to die hustle
Ops f**k em
Guns we tuck em
All muscle
Never scared
Bone crusher
Let the draco do the busting
Like you got the rona
Doctors won't touch you

Ftp on my life
Granny raised me on christ
No tears shed if i die tonight
Mama raised me a gee
Daddy was grinding
Like pharrell and the clipse mindless
Young nigga my timing
Frank muller no diamonds
Still shining like shyne was
Pay them niggas in blood or
Pay them niggas no mind

lyrics

I'm thuggin im out my mind
I'm fifty-one forty-nine
I smoke it until my lungs
Is french kissing my spine
My passion inside this nine
I walk on this thin line
Between love and hate till
God send back a sign
Im jumping on cop cars in flames
Word to the backward
Nike sign on my travis scotts
Peace and blood stains.
