

Ek haseen gulbadan aur jawaan
Ek haseen gulbadan aur jawaan,
Sokh si phooljhadi hai yahaan
Aaj hi toh meri jaan hai,
Sochiye kaun hai meherbaan

Galon pe ek til khil raha hai
Galon pe ek til khil raha hai,
Aankhon mein mastiya aur nasha
Jhumake dekh li hai mujhe,
Kaun hai puchhu main aap se

Naam loon kya tera jaane jaan

Naam loon kya tera jaane jaan,
Jaan le aaj toh yeh jahaan
Main tera hoon tera bas tera,
Tu meri bas meri ek jaan.
