

Romiyo juliyat laila  
Majnu shiri aur farhaad  
In ka sachaa ishq  
Zamane ab tak hai yaad  
Yaad muje aayaa hai  
Ek aise dilbar ka naam  
Jisne dhoka dekar  
Nam e ishq kiya badnaam

Yahi hai sahebaan kahani pyaar ki  
Kisine jaan li kisine jaan di

Ek hasina thi ek deewani tha  
Kya umar kya sama kya zamana tha  
Ek hasina thi hasina thi  
Ek deewani tha deewani tha  
Kya umar kya sama kya zamana tha

Ek din woh mile roj milne lage  
Ek din woh mile roj milne lage  
Phir mohabbat huyi  
Bas kayamat huyi  
Kho gaye tum kaha  
Sunke yeh dastan  
Log hairan hain  
Kyun ki anjan hain  
Ishk ki woh gali baat jisaki chali  
Uss gali me meraa aana jana tha  
Ek hasina thi ek deewani tha  
Kya umar thi kya sama  
Tha kya zamana tha  
Ek hasina thi ek deewani tha

Uss hasin ne kaha  
Uss hasin ne kaha  
Suno janewafa  
Yeh falak yeh jamin  
Tere bin kuchh nahi  
Tujhpe marati hu  
Mai pyar karati hu mai

Baat kuchh aur thi  
Woh najar chor thi  
Usake dil me chhupi  
Chah daulat ki thi  
Pyar kaa woh fakat ek bahana tha  
Ek hasina thi ek deewani tha  
Kya umar thi kya sama  
Tha kya zamana tha  
Ek hasina thi ek deewani tha

Bewafa yar ne apne  
Mehbub se aisa dhoka kiya  
Aisa dhoka kiya dhoka dhoka  
Aisa dhoka kiya dhoka dhoka  
Aisa dhoka kiya jaher usako diya  
Dhoka dhoka dhoka  
Dhoka jaher usako diya

Mar gaya woh jawan  
Mar gaya woh jawan  
Abb suno dastan  
Janm leke kahi phir  
Woh pahucha wahi  
Shakl anjan thi akl hairan thi  
Samna jab huwa  
Samna jab huwa  
Phir wahi sab huwa  
Usape yeh karj tha  
Usaka yeh farj tha farj  
Ko karj apna chukana tha  
La la la la la la la la la  
La la la la la la la la la.
