

Ek hi rashta jispe chup chap sar ko jhukaye hue
Band aankhein kiye log chalte hai saare janam
Jaante bhi nahi, sochte bhi nahi, puchte bhi nahi
Unko ye rashta lekar kahin jayega ?
Ya kahin bhi nahi?

Chalte chalte kahin ek mode aata hai
Sidhe rashte se bilkul alag
Koi deewana hi hota hai jo udhar jata hai
Warna baaki toh sab sidhe rashte pe hi
Aab we saare janam chalte hai
Sir jhukaye hue band aankhein kiye aur yeh dukh liye
Mode jo dekha tha uspe mudd jaate hum
Toh najaane kahan tak pahunch paate hum.
