

Ek kash ek kash
Pag ki nashe khinch ke
Ungalio ke beech mein
Rakh ke gham bhaga de

Nashe ko jaga le
Volume high karke
Pyar se laga le
Kash ek kash
Kash ek kash
Kash ek kash
Kash ek kash

Baby baby bas
Baby baby bas
Jism mera mere bas mein nahi
Tera zaher peela mujhe das le kahin
Tujhe jaam peelaun aaja hoton se mere
Maja kiss mein hai jo ek kash mein nahi
Mujhe chadh gayi hai to chadhne de
Is club ka volume aur badhne de
Banke dhuaan jhoomu
Yahan wahan jhoomu
Log sadte hai to sadne de
Banke dhuaan jhoomu
Yahan wahan jhoomu
Log sadte hai to sadne de
Ek kash ek kash
