

Ek ladka ek ladki se jab milta hai  
Band kamre me to kya hota hai  
Ek ladka ek ladki se jab milta hai  
Band kamre me to kya hota hai  
Ek ladka ek ladki se jab milta hai  
Band kamre me to kya hota hai  
O baba mujhe dar lag raha hai  
Mujhe dar lag raha hai dar lag raha hai

Aane laga hai mujhko pasina  
Halat tumhare kya hai hasina  
Aane laga hai mujhko pasina  
Halat tumhare kya hai hasina  
Mare saram ke najre jhuki hai  
Chhuan na mujhko na na na  
Kaun hai police  
Kahe darna sanse bharna  
Na na karna meri jaan  
Mujhe dar lag raha hai dar lag raha hai  
Ek ladka ek ladki se jab milta hai  
Band kamre me to kya hota hai

Parde ke piche bhut chhipa hai  
Baap re baap sar bhi kata hai

Kya kaha  
Parde ke piche bhut chhipa hai  
Baap re baap sar bhi kata hai  
Kuchh na milega mujhko darake  
Tune jo socha mujhko pata hai  
Hila parda chala murda  
Halla karda aaya bhut  
Ek ladka ek ladki se jab milta hai  
Band kamre me to kya hota hai  
Hui baba mujhe dar lag raha hai dar lag raha hai  
Mujhe dar lag raha hai dar lag raha hai.
