

Bheegi bhagi si saari safed mein
Aisa lage jaise uper se sidha dil mein aayi hai
Aaj to uparvale pe maarne ko ji chah raha hai
Ikloti ho tum na koi dusri banayi hai

Timtimati taarowali raat hai na
Uspe dhimi dhimi barsaat hai na
Dil mein aa raha haseen thought hai na
Lonely se dil ka koi saath dena
Lo aa gaya tu saamne
Itfaaq ban haseen saa
Mili ik ajnabi se
Koyi aage na peechhe
Tum hi kaho ye koyi baat hai,
Ek ladki bheegi bhagi si
Soti raaton mein jaagi si

Tan bheega hai sar geela hai
Us kaa koyi pech bhi dheela hai..
Tan bheega hai sar geela hai
Us kaa koyi pech bhi dheela hai..
Tan ti jhukti chalti rukti
Nikli andheri raaton mein
Mili ik ajnabi se
Koyi aage na peechhe

Tum hi kaho ye koyi baat hai, hmm
Ek ladki bheegi bhagi si
Soti raaton mein jaagi si

Daagmag daagmag lehki lehki
Bhooli badh ki behki behki...
Daagmag daagmag lehki lehki
Bhooli badh ki behki behki...
Machla machla gharse nikhli
Paghli si kali raaton mein
Mili ik ajnabi se
Koyi aage na peechhe
Tum hi kaho ye koyi baat hai..
Baat hai..baat hai..

Ek ladki bheegi bhagi si
Soti raaton mein jaagi si.
