

Ek ladki hai deewani si us ladki
Pe main marta hoon
Ek ladki hai deewani si us ladki
Pe main marta hoon
Jo dekhu to sharmati hai

Is adaa se mohobat main karta
Hu ek ladka hai anjana sa
Us ladke pe main marti hoon
Ek ladka hai anjana sa
Us ladke pe main marti hoon
Jo dekhu to ghabrata hai is
Ada se mohobat main karti hoon
Ek ladki hai deewani si us ladki
Pe main marta hoon

Dil mein tamanna jaga ke chori
Se palke jhukana usne to pehli
Nazar mein mujhko banaya diwana
Dil mein tamanna jaga ke chori
Se palke jhukana usne to pehli
Nazar mein mujhko banaya deewana
Uske bina kaise rahu kehna hai
Jo kaise kahu kuch bhi batane se darti hoon
Ek ladka hai anjana sa
Us ladke pe main marti hoon
Ek ladki hai deewani si us ladki
Pe main marta hoon

Ab to yahi arzoo hai uspe
Wafaye luta du sanso mein
Usko basa ke dono jaha ko bhula doon
Ab to yahi arzoo hai uspe
Wafaye luta du sanso mein
Usko basa ke dono jaha ko bhula doon
Neende meri le ke gayi
Darde jigar de ke gayi
Din rat aanahe main bharta hoon
Ek ladka hai anjana sa
Us ladke pe main marti hoon

Ek ladki hai deewani si us ladki
Pe main marta hoon
Jo dekhu to ghabrata hai is
Ada se mohobat main karti hoon
Ek ladki hai deewani si us ladki
Pe main marta hoon
Ek ladka hai anjana sa
Us ladke pe main marti hoon.
