

Ek ladki mujhe chahti hai magar
Ek ladki mujhe chahti hai magar
Bolti kuch nahin main kya karun
Ek ladka mujhe dekhta hai magar
Ek ladka mujhe dekhta hai magar
Bolta kuch nahin main kya karun

Meri tamanna usko pata hai
Anjaan hai woh sab jaan kar
Usne to meri duniya badal di
Uski mohabbat mein hai asar
Uske bina ab tanha lage hai mujhko meri zindagi
Aisa lagta hai kyon waisa lagta hai kyon
Aisa lagta hai kyon waisa lagta hai kyon
Aisa lagne laga main kya karun

Mehsoos har pal karti hoon usko

Woh dhadkano ka ehsaas hai
Yeh dil keh raha hai
Usko bata dun woh meri saason ki pyaas hai
Bas jaaungi main uski nazar mein
Dungi use har khushi
Keh rahi bekhudi kab milegi khushi
Kahe rahi bekhudi kab milegi khushi
Sharam aa rahi hai mujhe main kya karoon
Ek ladki mujhe ek ladka mujhe
Hum kya karen.
