

Ek nahi do nahi teen nahi
Char chand jivan me tumne laga diye
Char chand char chand char chand
Ek nahi do nahi teen nahi
Char chand jivan me tumne laga diye
Char chand char chand char chand

Sab kuch mai bhul jab tumko pa liya
Ho jab tumko pa liya

Sab kuch mai bhul jab tumko pa liya
Dunia ke jhagdo se khud ko chuda liya
Ho khud ko chuda liya
Naina milake jo tum muskura diye
Char chand char chand char chand
Ek nahi do nahi teen nahi
Char chand jivan me tumne laga diye
Char chand char chand char chand

Bichde dilo ko milane tum aaye ho
Khushiyo ki dunia ko sang sang layi ho
Sang sang layi ho
Tune mahal ke mere bhag jagmaga diye
Char chand char chand char chand
Ek nahi do nahi teen nahi
Char chand jivan me tumne laga diye
Char chand char chand char chand

Chanda sa mukhda hai bato me pyar hai
Chadti jawani hai solah singar hai
Solah singar hai
Deepka ummido ke tumne jala diye
Char chand char chand char chand
Ek nahi do nahi teen nahi
Char chand jivan me tumne laga diye
Char chand char chand char chand.
