Ek sapna maine dekha hai

Bharatlyrics.com  
Ek sapna maine dekha hai  
Ek sapna maine dekha hai  
Tere hath me thi takdir meri  
Tere dil me thi jagir meri  
Teri aankho me tasvir meri  
Kaho jutha hai ya sachha hai

Ye kahne me to jutha hai  
Par sunne me kuchh achha hai  
Maine bhi ek sapna dekha hai  
Ek sapna maine dekha hai  
Ek sapna maine dekha hai  
Na dil me teri chahe thi  
Na tujhpe meri nigahe thi  
Na baho me ye bahe thi  
Kaho jutha hai ya sachha hai

Ye teri taraf se jutha hai  
Wo mari taraf se sachha hai  
Ek sapna maine dekha hai  
Ek sapna maine dekha hai

Ek sapna maine dekha hai  
Ek sapna maine dekha hai  
Sapname ek kali phul ki  
Chumke jab takarai yhi  
Gale mile jab wo dono  
Dekh ke tu ghabharayi thi  
O ho aisa huwa sachi  
Gale mile jab wo dono  
Dekh ke tu ghabharayi thi  
Phir tham ke mere haathon ko  
Sharamake zukaya aankhon ko  
Tu samaji sari baaton ko  
Kaho jutha hai ya sachha hai  
Tera sapana main kya janu

BHARAT  
lyrics

Ye kaise kahu ke achha hai  
Ek sapna maine dekha hai  
Ek sapna maine dekha hai

Ek sapna maine dekha hai  
Ek sapna maine dekha hai  
Jungal ki pagdandi pe jab  
Tune mujhe bulaya tha  
Tu dil ka tofa deta tha  
Or maine use thukraya tha  
Ye kaisa sana hai  
Tu dil ka tofa deta tha  
Or maine use thukraya tha  
Ye kaise ho sakata hai  
Us pal tune takrar kiya  
Dil dane se ikrar kiya  
Fir maine bhi inkar kiya  
Kaho jutha hai ya sachha hai

Na sunne me hi acha hai  
Na kahne me hi acha hai  
Ek sapna maine dekha hai  
Ek sapna maine dekha hai

BHARAT  
lyrics

Ek sapna maine dekha hai  
Ek sapna maine dekha hai  
Badalao meri aankho ke  
Ye kis ke sapne aate hai  
Jo dil ko aksar pad paye  
Wo nindo me hi mil jaate hai  
Tum jaisi koi hasi  
Kahta hai dil ke pas kahi  
Ab sach kahde kahi tu wo to nahi  
Kaho jutha hai ya sachha hai

Ye ek paisa bhi juth nahi  
Ye solah aane sachha hai  
Ye solah aane sachha hai  
Ye solah aane sachha hai  
Ek sapna

Ek sapna maine dekha hai  
Ek sapna maine dekha hai  
Ek sapna maine dekha hai  
Ek sapna maine dekha hai.
