

Ek sarzameen ne jo zehar ugaya hai,
Usne usi ka gulistan jalaya hai,
Chalate hai jo havaaniyat ke karvaane,
Usne unhi ke farishton ko sulaya hai,

Usne usi ka gulistan jalaya hai,
Chalate hai jo havaaniyat ke karvaane,
Usne unhi ke farishton ko sulaya hai,

Nana na na..nana na na..

Farsh pe bikhri wo kitaaben,
Khamosh padi wo awaazein,
Chilaati hai wo deewarein,
Darr se dodte wo bechare,

Nana na na..nana na na..

Zannat ko nafrat hai unse,
Jahnoon ne bhi unhe thukraya hai,
Har tadapti insaniyat ne unke liye,
Bad-duaon ka kabristan banaya hai,

Masoom ki maiyat jab uthi toh,
Mamta bhare kalejon ne khoon bhaya hai,
Mazhab aur mulak ki baat mat karna,
Aaj shetano ne farishton ko dafnaya hai,

Nana na na..nana na na..

Num aankhon mein jhalakte,
Bikhre wo safed kapde,
Kafan se hai jo lipte,
Dil ke kitne tukde,

Ek sarzameen ne jo zehar ugaya hai,
Usne usi ka gulistan jalaya hai,
