

Ek subah ek mod par
Maine kaha use rok kar
Ek subah ek mod par
Maine kaha use rok kar
Hath badha ai zindagi
Aankh milakar baat kar
Hath badha ai zindagi
Aankh milakar baat kar

Roz tere jeene ke liye ek
Subah mujhe mil jati hai
Roz tere jeene ke liye ek
Subah mujhe mil jati hai
Murajhati koyi sham agar
Toh raat koyi khil jati hai
Mai roz subah tak aata hoon
Aur roz shuru kartaa hu safar
Hath badha ai zindagi
Aankh milakar baat kar

Tere hajaro cheharon mein
Ek chehra hai mujhse milata hai
Tere hajaro cheharon mein
Ek chehra hai mujhse milata hai
Aankho kaa rang bhi ek sa hai
Aawaz kaa ang bhi milata hai
Sach pucho toh ham do judawa hain
Tu sham meri main teri sahar
Hath badha ai zindagi
Aankh milakar baat kar
Ek subah ek mod par
Maine kaha use rok kar
Hath badha ai zindagi
Aankh milakar baat kar
