

Ek tera saath, ek tera saath
Humko do jahan se pyara hain
Ek tera saath, ek tera saath
Humko do jahan se pyara hain
Too hain to har sahara hain
Na mile sansar
Na mile sansar, tera pyar to humara hain
Na mile sansar, tera pyar to humara hain
Too hain to har sahara hain

Hum akele hain, shehnaiyan choop hain,
To kangana bolata hain
Too jo chalatee hain, chhote se aangan mein,
Chaman sa dolata hain
Aaj ghar hum ne, aaj ghar hum ne,
Milan ke rang se sanwara hain
Too hain to har sahara hain

Dekh aanchal mein kayee chandani rut

Najare bhar gaye hain
Nain se tere is maang mein jaise,
Sitare bhar gaye hain
Pyar ne is raat, pyar ne is raat ko
Aakash se utara hain
Too hain to har sahara hai.
