

Ek teri nazar ek meri nazar  
Ek teri nazar ek meri nazar  
Yun lad gayi aapas mein  
Yun lad gayi aapas mein  
Ek tera dil ek mera dil  
Phir dono rahe na bas mein  
Kaho yeh pyar nahi to kya  
Kaho yeh pyar nahi to kya hai  
Ek teri nazar ek meri nazar  
Ek teri nazar ek meri nazar  
Yun lad gayi aapas mein  
Yun lad gayi aapas mein  
Ek tera dil ek mera dil  
Phir dono rahe na bas mein  
Kaho yeh pyar nahi to kya  
Kaho yeh pyar nahi to kya hai

Kuch tumne kaha kuch  
Hamne kaha  
Kuch dil se dil ki bat hui  
Malum hua na dono ko  
Kab din nikla kab rat hui  
Aankho hi aankho mein hamne  
Kuch khali aisi kasma  
Kaho yeh pyar nahi to kya hai  
Kaho yeh pyar nahi to kya hai  
Ek teri nazar ek meri nazar  
Ek teri nazar ek meri nazar  
Yun lad gayi aapas mein  
Yun lad gayi aapas mein  
Ek tera dil ek mera dil  
Phir dono rahe na bas mein  
Kaho yeh pyar nahi to kya  
Kaho yeh pyar nahi to kya hai

Kuch kahe bhi gaye kuch  
Kahe na sake  
Kuch kahne ka arman bhi hai  
Hum us manzil par aa nikle  
Jo mushkil bhi aasan bhi

Is duniya mein dekhi hamne  
Duniya se nirali rashme  
Kaho yeh pyar nahi to kya  
Kaho yeh pyar nahi to kya hai  
Ek teri nazar ek meri nazar  
Ek teri nazar ek meri nazar  
Yun lad gayi aapas mein  
Yun lad gayi aapas mein
