

Ek tha gul aur ek thi bulbul  
Ek tha gul aur ek thi bulbul  
Dono chaman me rahate the  
Hai yeh kahani bilkul  
Sachchi mere nana kahate the  
Ek tha gul aur ek thi bulbul

Bulbul kuchh aise gati thi  
Aise gati thi aise gati thi  
Kaise gati thi  
Bulbul kuchh aise gati thi  
Jaise tum baaten karati ho  
Woh gul aise sharamata tha  
Aise sharamata tha  
Aise sharamata tha  
Kaise sharamata tha  
Woh gul aise sharamata tha  
Jaise mai ghabara jata hu  
Bulbul ko malum nahi tha  
Gul aise kyon sharamata tha  
Woh kya jane usaka nagma  
Gul ke dil ko dhadakata tha  
Dil ke bhed na aate lab pe  
Yeh dil me hi rahate the  
Ek tha gul aur ek thi bulbul

Lekin aakhir dil ki bate  
Aise kitane din chhupati hain  
Yeh woh kaliya hain jo ek din  
Bas kante ban ke chubhati hain  
Ek din jan liya bulbul ne woh  
Gul us kaa divana hai  
Tum ko pasand aaya ho toh  
Bolu phir aage jo afsana hai  
Hmm bolo na chup kyon ho gaye  
Ek duje kaa ho jane par  
Woh dono majbur huye  
Un dono ke pyar ke kisse  
Gulshan me mashahur huye  
Sath jiyenge sath mareng

Woh dono yeh kahate the  
Ek tha gul aur ek thi bulbul

Phir kya huwa  
Phir ek din ki bat sunaau  
Ek sayad chaman me aaya  
Le gaya woh bulbul ko pakad  
Ke aur divana gul murjhaya  
Aur divana gul murjhaya  
Shayar log bayan karate hain  
Aise unki judayi ki baaten  
Gate the yeh git woh dono  
Saiya bina nahi katati rate  
Saiya bina nahi katati rate haay  
Mast baharo kaa mausam  
Tha aankh se aansu bahate the  
Ek tha gul aur ek thi bulbul

Aati thi aawaj hamesha  
Yeh jhilmil jhilmil taaro se  
Jiska nam mohabbat hai

Woh kab rukati hain diwaro se  
Ek din aah gulo bulbul ki  
Uss pinjare se ja takarayi  
Tuta pinjara chhuta kaidi  
Deta raha saiyaad duhayi  
Rok sake na usako milake  
Sara zamana sari khudayi  
Gul sajan ko git sunane  
Bulbul bag me wapas aayi  
Raja bahut achchhi kahani hai  
Yad sada rakhana yeh kahani  
Chahe jina chahe marna  
Tum bhi kisi se pyar karo  
Toh pyar gulao bulbul sa karana  
Pyar gulao bulbul sa karana  
Pyar gulao bulbul sa karana  
Pyar gulao bulbul sa karana.
