

Ek Tha Raja - The Beginning Song Lyrics

Aksar toofan se pehle ki shanti
Yeh bata deti hai
Ke toofan aane wala hai
Lekin kayi toofan
Bata kar nahi aate

Taakat aasmaan mein nahi
Zameen par hoti hai
Aur yeh taakat usi ko milti hai
Jo jhuk kar use uthana jaanta hai

I need that power
I need that power
I need that power
I need that power

Ek raja ek aaine ki tarah hota hai
Achhon ke liye achha buron ke liye bura
Kuchh logon ke liye taaj pyara hai
Kuchh logon ke liye takht

Kuchh log aise jeete hain
Jaise woh raja ho

Aur kuchh aise jeete hain
Jaise unhein farak nahi padta
Ki raja kaun hai

Yeh taakat kal kisi aur ke paas hogi
Yeh taaj kal kisi aur ke paas hoga
Lekin baat sirf humari hogi
