

Ek yaar maanga tha  
Ek yaar maanga tha  
Maine rab tujhase  
Toh kaun si khudaayi maang li  
Toh kaun si khudaayi maang li  
Ik katara chaaha tha  
Ik katara chaaha tha  
Maine saagar se tere  
Toh kaun si khudaayi maang li  
Toh kaun si khudaayi maang li

Woh teri bekaraari  
Mera deewanapan  
Badhati hi jaa rahi thi  
Woh pyaar ki agan  
Haatho me teraa chehara  
Palake jhuki jhuki  
Hontho pe dil ki baate

Aakar ruki ruki dilnashi  
Ik phul maanga tha  
Ik phul maanga tha  
Bahaaro se teri  
Toh kaun si khudaayi maang li  
Toh kaun si khudaayi maang li

Chaahat ke raston me  
Dil tanaha rah gaya hai  
Khvaabo kaa woh samandar  
Aankho se bah gaya hai  
Use dhundhati hain aankhe  
Har gam har dagar  
Har aahat dekhati hai  
Abb tak meri najar hamsafar  
Ik jhonka maanga tha  
Ik jhonka maanga  
Tha havaao se teri  
Toh kaun si khudaayi maang li  
Toh kaun si khudaayi maang li  
Ek yaar maanga
