

Ekaanthama Ekaanthame Song Lyrics

Ekanthama ekanthame
Dhari chere ninnipudu
Cheli oohala sadi chesene
Naa gunde chiru chappudu

Kala kadaliki ala nurugala
Valalu visuruthoondhe
Cheli choopu chirunavvutho

Mallela harivillula
Chiru jallu jalluthondhe
Chirugaali chigurintha tho

Araaru kaalale okatayi
Virisaye naa cheli navvayi
Ededu vintale okatayi
Merisaye naa cheli rupaaye

Pedhavulani dhatedhi ela
Gundello ee matale cheppedhela
Mounanni aapedhela manasuna nadhilo
