

Dad tussi topp ho
India di hope ho
I'll do anything for you
Anything for you
You deserve the ultimate
Respect ki nishaani
Ekkees toppon ki salaami
21 gun salute yeah
Ekkees toppon haan toppon
Haan toppon ki salaami
Ekkees toppon haan toppon
Haan toppon ki salaami
Common mummy daddy
It's your time to party
Join in everybody
21 gun salute yeah
Ekkees toppon haan toppon
Haan toppon ki salaami
Ekkees toppon haan toppon
Haan toppon ki salaami

Party mein dance kar lenge
Mummy daddy bhi rahenge
Mere bff hai dono koode
Naache gaayein milke
Get on the floor coz we want you
Tum saath ho toh koodein
Naachein gaayein milke
Coz you buddy stays on to
The early morning
When the sun goes down
And this night is gone
The only one place i go
In all the world
I just want my mom and
Daddy never be alone
Aapke samman mein
Likhkhenge kahaani
Ekkees toppon ki salaami
21 gun salute yeah

Ekkees toppon haan toppon
Haan toppon ki salaami
Ekkees toppon haan toppon
Haan toppon ki salaami
Common mummy daddy
It's your time to party
Join in everybody
21 gun salute yeah

Any part of the world
You rather be in
You got a heart for
A family feeling
In baahon mein
Aake zara jhoolo
You need a hug
Baby that you know
We make mistakes
Yeah we know
But phir meri har galti
Muaf you just blow it
Bachpan se leke aaj tak bhi haal

Mein you've been my daddy
Haanth thaam ke pyaar jata ke
Har cheez mujhe samjha sikha ke

Zindagi ke daayein
Baayein mod dikha ke
I am what i am
Because of you today
So if you want my daddy
My my my daddy
Mere dil ki aawaaz sun le
Oh mere daddy daddy
Ekkees toppon haan toppon
Haan toppon ki salaami
Ekkees toppon haan toppon
Haan toppon ki salaami
Common mummy daddy
