

## ఎలాగానో Elaagano Lyrics in Telugu

Elaagano elaagano  
 Elaaga vegano  
 Emunnado naa lopala  
 Ey hrudayam adagadelano  
 Kanulu moosi nadavamante  
 Adugelaa saaguno  
 Karigi pothundani telisi  
 Kala ela kanduno

Vaanosthe kaache godugey  
 Varadai munchesthe elaago  
 Uyyalalu oopina cheyye  
 Oobi loki nedithe elaago

Edurunte chaaladu varudu  
 Edana untene avuthadu thodu

Elaagano elaagano  
 Elaaga vegano

Aa illu ee illu  
 Andukunte poolu pallu  
 Anthe chaala bathakaala  
 Athanithone naa noorellu  
 Baajaa bhajantrilu  
 Bandhuvula santhoshaalu  
 Tappa naa mouna rodhanalu  
 Vinava ikkada ye chevulu

Nee sambaraala kosam  
 భారత్య్రిక్స్.కోమ్  
 Aadambarala kosam  
 Naa panti biguvane daacha  
 Sandramantha sokam  
 Idi uhinchani bandham  
 Ika natane prathi nimisham  
 Gaadaandhakaaramavadaa  
 Naa andamaina lokam

Ye kashtamina devuditho  
 Cheppukuntanu  
 Naaku devudante  
 Naanna valle intha kashtamu
