---

Ellamey konja kaalam thaan  
Kadanthu pogum sogam endra megam thaan  
Ellamey konja dhooram thaan  
Nadanthu palaga palagum payaname

Kadapathai kadanthida nadapathai nambu  
Kadantha pin kurai solli payan illaiye  
Palagida payandrida perungumam thembu  
Sorvadainthal athil palan illaiye

Yaaro parakkum bodhu kaththukittu parakkala  
Thiramai porappala valakkala  
Yaaro porakkum bodhu oththukittu porakkula  
Aduthavan porappa naama kurai solla

Thiramaigalai adutha thalamuraikku  
Pirappala parappa vazhi illaiye  
Sodhanaigal kadanthu sadhanaigal  
Seiyya thaan vayathil vayathillaiye

Ullukulla irukkum ullamthile  
Ethuvume nizhai illaiye  
Vinnukulle irukkum vinmeen ellam  
Vizhunthal nilam illaiye

Dhoorathile aavum azhagu thaan  
Nerungi palagum pozhuthu puriyum uravu thaan  
Vaanathile siru siragu thaan  
Siragu muzhaithu paranthu  
Siragu murinthal naam nadanthu palagam  
Siragu murinthal naam nadanthu palagam

Vidiyum munne naam ezhinthu palagam  
Sogam ellam naam kadanthu palagam  
Sorvu vanthalam gavanam sitharalam

Thodarntu muyarndru  
Thoda mudiyum uyaram  
Karai agandru vizhintha

Intha thiraigalalam

Anuvin adhirvil  
Un uyirin uruvile  
Thodangi mudiyume intha ulagamellam

Ulagamellam un urimai  
Uyirgal ellam un arule

Sirithu vaazha vendi  
Pirarai veruthu vaazhthithathe  
Poruthu vaazha vendum  
Pirarai keduthu vaazhthuthathe  
Padithu vaazha vendum  
Pirarai pazhithu vaazhthuthathe  
Sazhithu vaazha vendi  
Pirarai azhithu vaazhthithathe

Idho paar bayam kaattum whatsapp  
Idhule saadhi madham sandaigal ellame  
Two steps-le black back  
Enna bodhaigal ellame pootta patta pin  
Deivamgal ellame road-til  
Mirugangal ellame veethiyilile  
Naam veethi iruppathu avar kaattil
