

Emitemitemito Song Lyrics

Emitemiti temitoo
Em avtunnadhoo
Etavaalu dhaarilo
Jaaredhekkadikoo
Emitemiti emitoo
Em kaanunnadho
Erulaanti vayasuloo
Cheredethatiko
Telusaa telusaa nekainaa
Telusa telusaa mari nakainaa
Ainaa adugulu aagenaa
Veladham edemainaa
Eduruga nuvu nilabadu nimushaana
Edigina prathi kshanamunu marichaanaa
Tholi tharagathi thalupulu therichaayaa
Nijamaa nijamaaaaa

Nee raakathoo Naa raathaloo
Okkarajulone enenni maarayalaa
Aa ningine naa lekhagaa
Marchukunna chaladhemo
Avanni nen rayalante
Chebuthaa anni nee thonaa
Chebuthaa roju mari rathrainaa
