Dhenikorake  
Dhenikorake bhasha

Maatalanu marichela mounamaa

Dhachukunte premalaina  
Avirikaava asalalo  
Aapukunte kopamaina  
Perukupodha oopirilo

Kaaranamemaina nemmadhigaa  
Chebithe yedho thelunugaa

Thelchuko thappanisariga  
Polchuko thappuni sariga  
Kalamem cheppadhu thwaraga  
Bathukila aipodha eelogaa

Moogadhaite melu kooda  
Mosamulaage tochadhate  
Mogakunte doolukooda  
Mothaku bharam avunukadhe

Neepedhave neeku sankelaga  
Padinagaani thenchavugaa

Thenchuko endhuku madhanam  
Panchuko lopali kadhanam  
Theeyani hayiki marala  
Pampuko ahwanam eeroje
