

Yeh dil pighla ke saaz bana loon
Dhadkan ko awaz bana loon
Smoking smoking nikle re dhooan
Seene mein jalti hai armanon ki arthi
Arrey what to tell you darling kya hua

Arrey sapne dekhe jannat ke
Par mitti mein mil jaen
Phooken re ghar baar ki
Duniya ko bole good bye
Chad jae haye allah
Jisko bhi yeh bukhaar

Tauba tera jalwa, tauba tera pyar
Tera emosanal attyachaar
Tauba tera jalwa, tauba tera pyar
Tera emosanal attyachaa
Jao jao oh dilbar, oh dilbar ohh!
Tauba tera jalwa, tauba tera pyar
Tera emosanal attyachaar

Ho gai dil ke paar tragedy tragedy
Lut gai re bahaar, gul sukh sukh murjhae

Ho gai dil ke paar tragedy tragedy
Lut gai re bahaar, gul sukh sukh murjhae

Bol bol why did you ditch mein
Zindagi bhi lele yaar kill mein
Bol bol why did you ditch mein
Whore bol bol why did you ditch mein

Zindagi bhi lele yaar kill mein jao
Pia jao pia jao pia
